This is a professional rental assessment for the aforementioned property. We can provide you with a high level of Letting and Property Management services, if required.

In view of giving a current market assessment for rental for the above property, sight unseen, I have considered the following:

1. **Location**
2. **Recent letting of similar type properties in the near vicinity**
3. **Type of interior and exterior**
4. **Size of property**
5. **Outlook from property**
6. **Condition of rental market at this time**

I estimate the current rental for this 4 bedroom, 2.5 bathroom property to be approximately between:

\$1150.00 & \$1300.00 per week

The Ministry of Building Innovation and Employment statistics show that the average 4 bedroom property Greenhithe can obtain a median weekly rental of **\$735.00 per week**. I feel the above rent could be obtained.
