by chertens Design

Signature of applicant: [Signature]

Date: 30.9.2017

Affected land owners

I/We: (name) Sue Led

Owner/s of lot number: 3

DP number: 205508

S.O:

Mailing address: 9 Faith Grove
Greenhithe

Postcode: 0632

grant permission to lay and connect drainage as requested.

Signature of affected land owner/s: [Signature]

Date: 16/07/2018

Any agreement on costs or reinstatement of properties is a matter to be resolved between the parties concerned and is not part of this consent or the council's responsibility.

If the applicant wants to drain under section 461 of the Local Government Act 1974, it becomes his/her responsibility to initiate the appropriate proceedings and advise the council accordingly.

Please refer overleaf for important notes

See reverse of this form for all rights conferred under section 461 of the Local Government Act 1974.

all forms of physical therapy, health management, and reducing strain on all health systems, whether this is sticking to physical therapy or

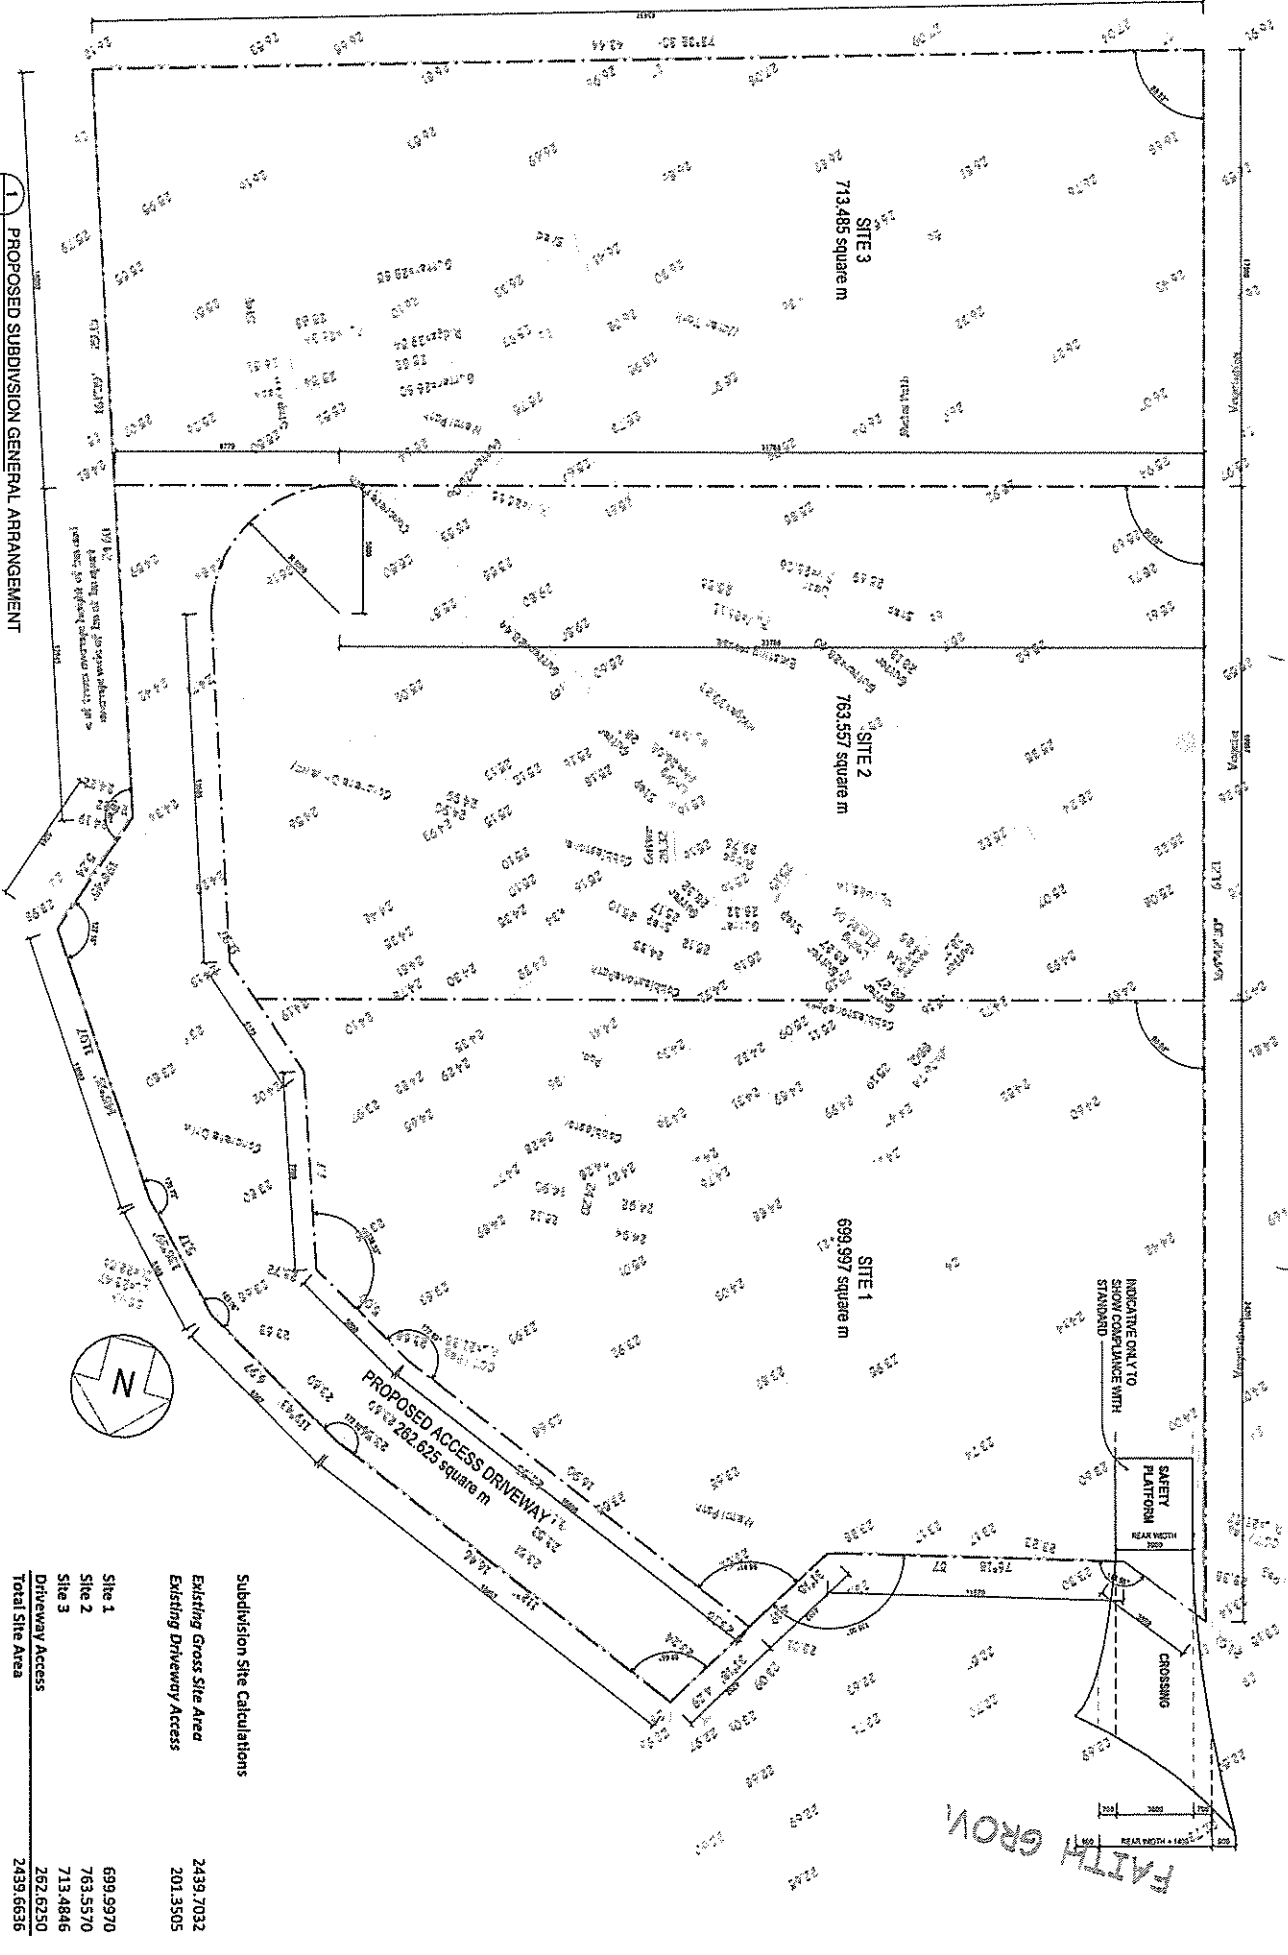

New SS to be connected to the wastewater network
